Canning Skills Big Picture Academy at Sevenoaks

Overview

The Canning Skills Big Picture Academy at Sevenoaks Senior College offers students an opportunity to engage and connect with education by using a personal learning plan that enables each student to pursue their passion. Students learn through attending work placements and exhibiting and talking about their experiences.

Students can design and create a special interest project and reflect on and assess what they have learned. This is the Big Picture learning cycle that connects students to an educational experience that is relevant, enjoyable and interesting.

Canning Skills Big Picture Academy provides students with opportunities to achieve the 22473VIC Certificate II in General Education for Adults. This is a very useful qualification to have if a student has gaps in their schooling and may not have completed Year 10. This certificate can be a direct pathway to TAFE entry.

Students will also have the opportunity to achieve a FSK20119 Certificate II in Skills for Work and Vocational Pathways whilst also building a comprehensive Western Australian Statement of Student Achievement (WASSA); a transcript of their achievements to the end of Year 12.

Advisories

Students in the Canning Skills Big Picture Academy operate in a number of advisories (classes) and are taught by experienced and talented advisors (teachers).

Each advisory will provide students with a personalised learning program that allows them to pursue their own special interests whilst achieving a variety of educational outcomes.

Each advisory is supported by staff specifically trained to work with young people and assist them to manage their busy and sometimes complex lives; these staff include an Aboriginal teacher, two youth workers, a nurse and two teacher assistants.

During advisory time students will participate in a number of master classes where course content and skills will be taught to ensure they can move along their learning continuum. Students will also enjoy opportunities to learn outside of the classroom via excursions, internships or workplace learning.

Enrolment and opportunities

Canning Skills Big Picture Academy is a highly sought after re-engagement program that caters for students from across Perth. Enrolment is by interview only. Students may choose to exit after their first year of study, however the program offers students the opportunity to study at the Big Picture Academy for up to two years (age permitting) and to complete studies at Year 11 level if their progress is acceptable.

The following strategies are used to support student learning:

- Individual learning plans
- Special interest projects
- Journal writing
- Reading and research time
- Developing a portfolio of work
- Parent involvement in the learning
- Exhibitions and presentations
- Interview skills
- Reflection
- Internships and work shadowing
- Guest speakers
- Excursions

Sevenoaks Senior College is a Registered Training Organisation
and an Independent Public School

* These qualifications are a proposed offering for the 2021 academic year. At the time of publication, no agreements have been entered into with a Registered Training Organisation for the delivery of these qualifications. On the basis of interest from students, the college will initiate a formal partnership agreement with a RTO for the delivery of the qualification.
