

COVID-19: My child is a close contact

If your child is a close contact, should the whole household isolate?

- ✓ Can your child care for themselves
 - ✓ Does your child have their own room
- Rest of household does not need to isolate

- ✓ Can your child care for themselves
 - ✗ Does your child have their own room
- Rest of household must isolate

- ✗ Can your child care for themselves
 - ✓ Does your child have a carer who can isolate with them for the entire duration
 - ✓ Does your child have their own room
