

**RE: CHANGES TO COLLEGE ACCESS**

Signage is up for our new designated school pick up and drop off zone on Lake Street!

There are now 6 drop off and pick up bays available for our school community.

Students who are taking the bus to school or being dropped off must enter the College through the gate located behind the gym. Please note there will be no vehicle access to the College off Sevenoaks Street from the 26th February onwards.

Parents are encouraged to start dropping off and picking up students from Lake Street over the next couple of weeks as boom gates at the front of the College will soon be operational.

Please see the map attached for more information.

Regards,

Dr Karen Read  
Principal

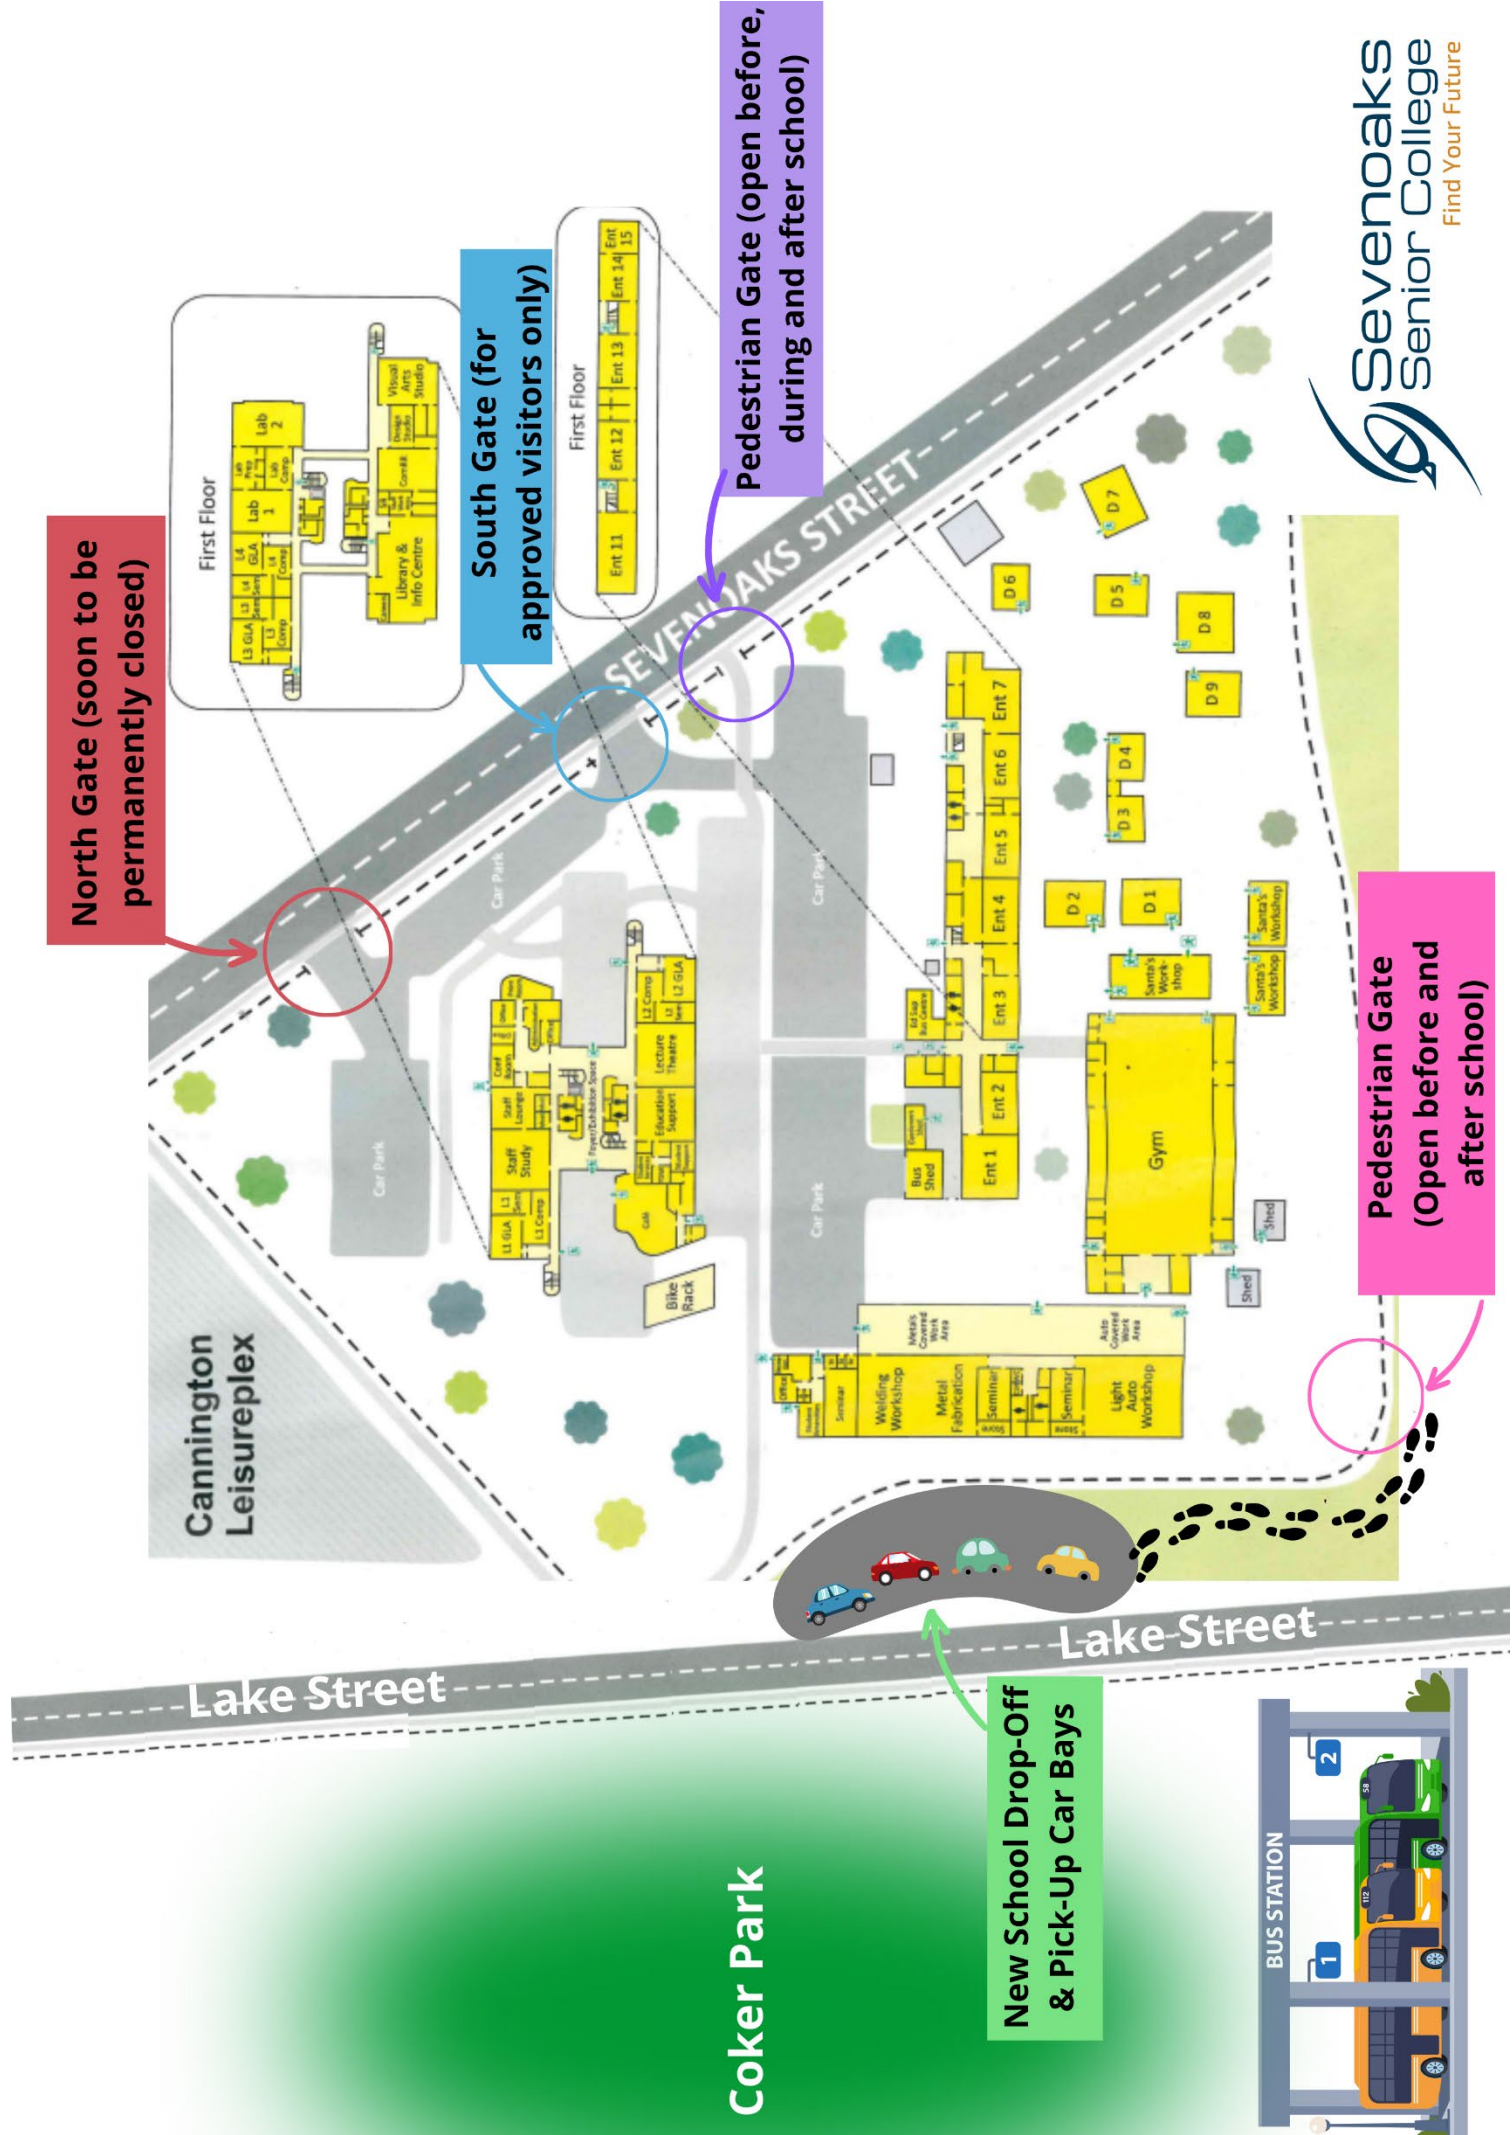

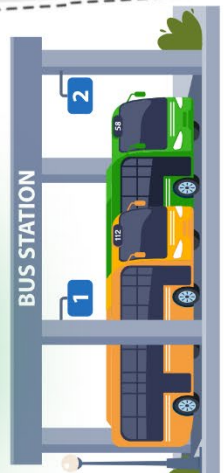

North Gate (soon to be permanently closed)

South Gate (for approved visitors only)

Pedestrian Gate (open before, during and after school)

Pedestrian Gate (Open before and after school)
