Access to second-hand textbooks, calculators and other resources is available all year.

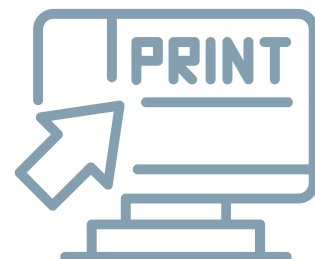

Sevenoaks Senior College is providing this service to our community. When registering on the Sustainable School Shop you need to nominate the College to receive your subscription.

We also have an on-site secondhand store, 'Back on the Rack', which opened Term One, 2024. The store sells textbooks, stationery items, uniform and a range of other clothing, shoes, accessories and home goods. Follow [@backontherack_ssc](https://www.instagram.com/backontherack_ssc) on Instagram to stay updated on all things 'Back on the Rack' including 2026 opening dates and hours.

Payment of Contributions and Charges

We believe that the best way to provide a quality education is through the provision of modern resources and equipment for our students. These resources and equipment, although supported by our public education system, are also provided through the payment of Contributions and Charges. We have endeavoured to keep these Contributions and Charges to a minimum. However, your support will enable our College to enhance our programs and learning resources.

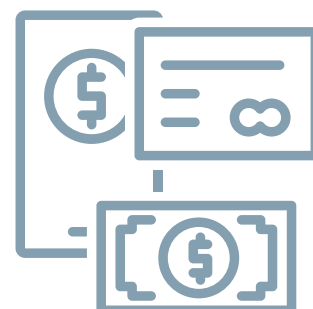

We recommend you start making plans now so that you are in a position to pay your voluntary contributions and compulsory charges prior to the end of Term One.

Funds collected within the year are spent on resources for that year.

Secondary Assistance Scheme

Applications close 2 April 2026

The Western Australian Department of Education provides an allowance to assist eligible families with secondary schooling costs. For Year 11 and 12 students in receipt of the allowance, the funds will be applied directly to compulsory charges. The allowances below are available to secondary students providing the eligibility criteria is met.

(<http://www.concessions.wa.gov.au/Concessions/Pages/Secondary-Assistance-Scheme.aspx>)

Secondary Assistance Scheme

The allowance consists of two components:

- \$235.00 Education Program Allowance paid directly to the College and applied directly to Compulsory Charges.
- \$115.00 Clothing Allowance paid directly to the parent/carer or to the College if you wish the money to be allocated towards College charges and contributions.

Late Applications

Late applications will only be accepted in extenuating circumstances and must be accompanied with a written explanation OR the student has recently arrived from interstate or overseas and enrolled after the end of first term.

Processing of Payments

Once the form is completed by the parent/carer, the school will forward the electronic file (via email) to the Financial Planning and Resourcing Directorate for processing whilst retaining the original application form at the school.

If you change any of your details supplied on the application form, please notify them as soon as possible on 9264 4516.

Eligibility Criteria

Parent or carer must hold one of the following cards:

- Centrelink Health Care Card
- Centrelink Pensioner Concession Card
- Veterans' Affairs Pensioner Concession Card

The parent/carer must be the holder of a card that is valid some time during first term. Students must be listed on claimant's card (except for some year 11 and 12 students, or in cases of disability/health reasons). In this instance, the school must sight both concession cards.

The only exception to this is when a student holds their own health care card and has been declared independent by Centrelink (e.g. Living Away from Home). In this instance, a letter of confirmation from Centrelink needs to accompany the application. The concession card must not be expired when applying for SAS.

The allowance is paid up to and including the year the student turns 18 years of age i.e. students born in 2007 or before are ineligible in 2026.

How to apply

To apply for the Secondary Assistance Scheme:

- Request an application form from the school in which your child is enrolled.
- Complete the application in full and provide the required supporting documentation.
- Submit the application to your school.

Applications can only be submitted in Term One. Applications close at the end of Term One.

Contributions and Charges Information

The following information is provided to help make the College contributions and charges structure clear for parents and carers. The Sevenoaks Senior College Board has directed our efforts towards keeping costs as low and as equitable as possible. The Sevenoaks Senior College Board has examined the Contributions and Charges structure and has approved the amounts shown in accordance with the Education Act.

Who should pay?

Given that all students benefit from the pool of collected fees, it is fair to expect that all parents or carers should pay the balance of Contributions and Charges.

A Compassionate View

The College is only too aware that the payment of College Contributions and Charges can be a burden for some families. Part payments and deferred payments are available to support parents or carers experiencing difficulties. The College is also keen to assist parents or carers in selecting options that they can afford. To this end, course charges will always be provided to parents or carers prior to selection of courses.

Collecting Contributions and Charges

The College will take a positive approach to collecting contributions from parents or carers of students. In particular, the College will highlight the benefits to students if all parents or carers meet their contributions. The College will actively seek full payment of charges:

- Regular statements and reminders will be sent throughout the year.
- Outstanding charges are rolled over to the student's record in the following year where applicable.

Vocational Education and Training

Students participating in a Certificate through an external Registered Training Organisation (RTO) will be notified of their Fees and Charges Policy by the respective RTO.

Where do Contributions and Charges go?

Some examples of expense include: ingredients in food production, art materials, timber, metal, consumable tools, external instructors and sporting equipment. For Years 11 and 12 there are no maximum charges set by the State Government. Schools set their own charges for these years and such charges are compulsory.

Year 11 and 12 Student Charges

All course costs for Year 11 and Year 12 students are considered to be charges and therefore payment is compulsory. Charges will depend upon the course chosen. Some specific courses will incur higher costs. These are due to items such as text books, subject specific resources, materials, excursions, certificates and work placement.

The Legal Position

The State Government through the Department of Education provides placement at educational facilities for all students who choose to attend Government schools. The Department also pays for the salaries and wages of all teaching and school support staff plus costs such as repairs, maintenance and utilities. The Government does not provide for many of the goods and services which students use and it is reasonable for parents and carers to meet these costs.

How to get to Sevenoaks Senior College

275 Sevenoaks Street
Cannington

**This map
makes it easy to
plan the best route
to walk or ride to
Sevenoaks
Senior
College**

Sevenoaks Senior College is a Your Move School and encourages all students to walk, ride or scoot to and from school where possible.

Heaps of kids are walking, riding and scootering to our school every day. Here's a nifty little map to help you plan your way to school.

Getting active on the way to school means you have time to spend with your family and friends, can focus better in class, stay fit and healthy, plus gain some independence and do the right thing for our environment.

If walking or riding the whole way to school isn't an option, ask your parents to park nearby then walk or ride the rest of the way!

"I like riding my electric scooter in the mornings when I can feel the wind blowing in my face. The wind feels soothing and especially on hot days it cools you down too."

Hakeemi

"I like riding my bicycle to school because it is an easy way to gain exercise, it helps the environment, and you can catch up with friends that might live further away."
